ARTS ENTERTAINMENT CLASSIFICATION APPLICATION

Classification of Arts Entertainment Provided Under Public Entertainment Licences

Arts Entertainment (AE) includes performances of music, singing or dancing, pop/rock concerts, plays, musicals, stand-up comedies, dance performances, play and poetry-readings and art exhibitions including photography exhibitions and installations.

Public Entertainment (PE) licensees **must** ensure that any AE held within their premises or at ad-hoc public entertainment events is classified by IMDA, unless exempted (please click the AEC Submission Guidelines link on the “Classification Services” page for details on the exemptions from classification).

Arts Entertainment Classification Application Requirements

- **Only PE licensees who provide AE within their premises or ad-hoc events are required to apply for Arts Entertainment Classification (AEC). The PE licensee must be the applicant for the AEC application and ensure that a PE Licence from the Singapore Police Force has been obtained or applied for before submitting an AEC application.**
- **The AEC application must be submitted personally by the PE Licensee, or through a filer vide the personal particulars of the PE licensee.**

- The AEC application should be submitted **at least 2 months** before the date of the event to allow sufficient time for processing. Applicants can refer to the Submission Guidelines to facilitate the submission of an AEC application.
- Event organisers do not need to apply for AEC if they have obtained an Arts Entertainment Licence (AEL) from IMDA. The table below is a guide on the licensing requirements based on the type of entertainment provided during an event:

| Event Type | Licensing Requirement(s) | Application Website |
|---------------------------------|---------------------------------|--|
| PE events with AE elements | PEL and AEC | PEL: https://www.gobusiness.gov.sg AEC: https://imdaonline.imda.gov.sg |
| PE events with only PE elements | PEL | https://www.gobusiness.gov.sg |
| AE events | AEL | https://www.gobusiness.gov.sg |

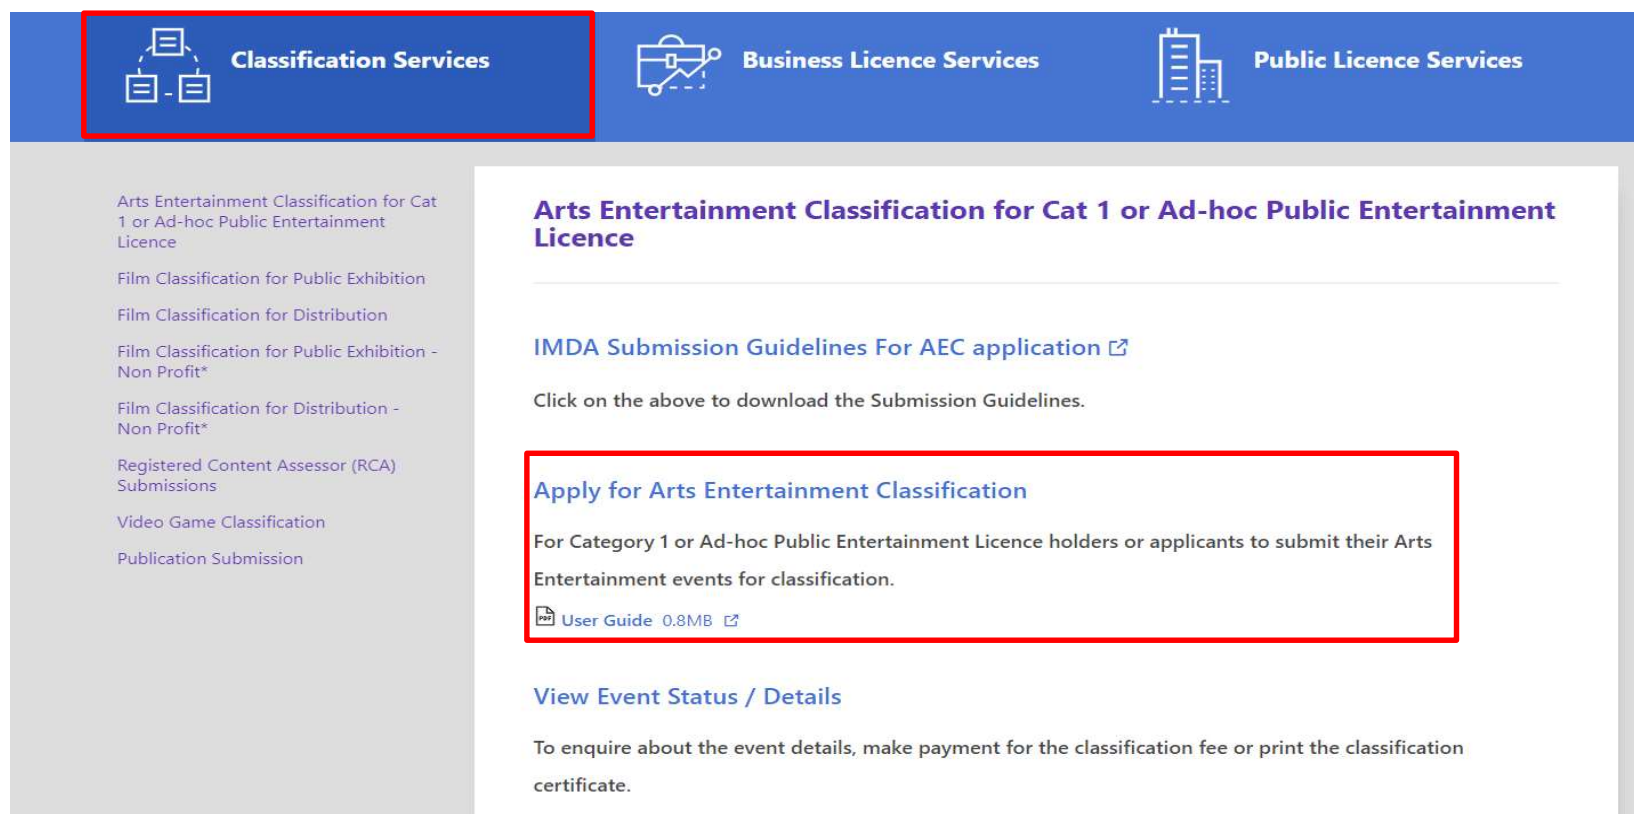

Arts Entertainment Classification Fee and Service Standards

- The classification fee payable is S\$30 and is to be made upon submission of an application.
- IMDA will process applications within 20 working days from receipt of complete information. Each application will be issued with a classification certificate. The certificate is valid for the event period applied for.
